To Whom It May Concern:

It is a pleasure to write this recommendation for John Cahal, President of ABC Phonetic Reading School Inc. I had the pleasure of working with Mr. Cahal during the 2006-2007 and 2007 and 2008 school years. He has been one of our most effective Supplemental Education Service Providers during this time.

Mr. Cahal is a person you can count on to, "get the job done". He is extremely well organized, always reliable, and without question, a true professional when it comes to his job. He and his company were very outgoing in the recruitment of students. They were in constant communication with our SES coordinator. They worked well with parents and students.

They had so many students sign up for their program that the hours had to be extended. Parents did not hesitate to bring their children back to Roberts for evening tutoring sessions. Many of these parents signed up with ABC Phonetic Reading because of the great job that they did their first year at Roberts.

Their phonics based approach worked very well with our high ELL Population and it also complimented our reading curriculum. Their tutors were very effective in meeting their student's academic goals as evidenced by their AIMS scores. Roberts was labeled "Performing" school under Arizona Learns and made AYP during the two years that ABC Phonetic Reading tutored our students.

Without reservation, I can enthusiastically recommend John Cahal and ABC Phonetic Reading School as a Supplemental Education Service Provider. Please feel free to contact me at (520) 584-7000 if you have any further questions.

Sincerely,

Marcos Quijada
Principal
Roberts Elementary School
